Project Consultant Experience

Each agent and seller receives a dedicated Project Consultant, to coordinate the entire project from start to finish

- Personally select top-rated contractors
- Advise on project scope and pricing
- Schedule appointments
- Coordinate payments to contractors
- Ensure work is completed to homeowner's satisfaction with our industry leading Angi Happiness Guarantee

Angi Professionals

- Hand-picked for RealVitalize
- Financial and criminal background checked
- Rated and reviewed by real customers
- Verified for state-level trade licensing
- Profiled by expertise, licensing and areas served

How it works

- 1 Suggest a project to homeowner and enroll listing in RealVitalize
- 2 Your expert Project Consultant will reach out to kick off process
- 3 Project Consultant works through all details: identifying scope of work, negotiating prices, finding the best contractor
- 4 Project Consultant ensures customer is happy with the quote, and work begins on the home
- 5 Once work is complete, Project Consultant verifies quality and pays the contractor. All work is backed by Angi Happiness Guarantee
- 6 Homeowner pays back with proceeds of home sale via title process

Happiness Guaranteed

When you book and pay with Angi, you're covered by our Happiness Guarantee. We'll cover your project up to the full purchase price, plus limited damage protection.
